

FLAME RESISTANT ARC KNITTED

BOXER SHORTS

LFRBS

PRODUCT DESCRIPTION

Engineered for safety and comfort, this breathable, lightweight t-shirt provides reliable flame and arc protection as an essential base layer under PPE. Made with TENCEL™ moisture-wicking fabric, it keeps you cool and dry while offering a soft, skin-friendly feel. The ergonomic design ensures a snug, flexible fit for all-day comfort in high-risk work environments. Perfect for electricians, industrial workers, and anyone needing hidden protection without sacrificing comfort.

FEATURES & BENEFITS

- ✔

 Allows full range of motion without restriction
- ✔

 Advanced moisture control,pulls sweat away from skin quickly
- ✔

 Soft skin-friendly ,provides safety without compromising comfort
- ✔

 Comfortable for extended wear in harsh environments
